

Registered in 1994, Metta Welfare Association (Metta) is dedicated to the active promotion of humanitarian causes by initiating, assisting and organising a wide range of community projects. We have nine centres serving almost 1,150 beneficiaries from various races and religions. Metta currently supports the following services:

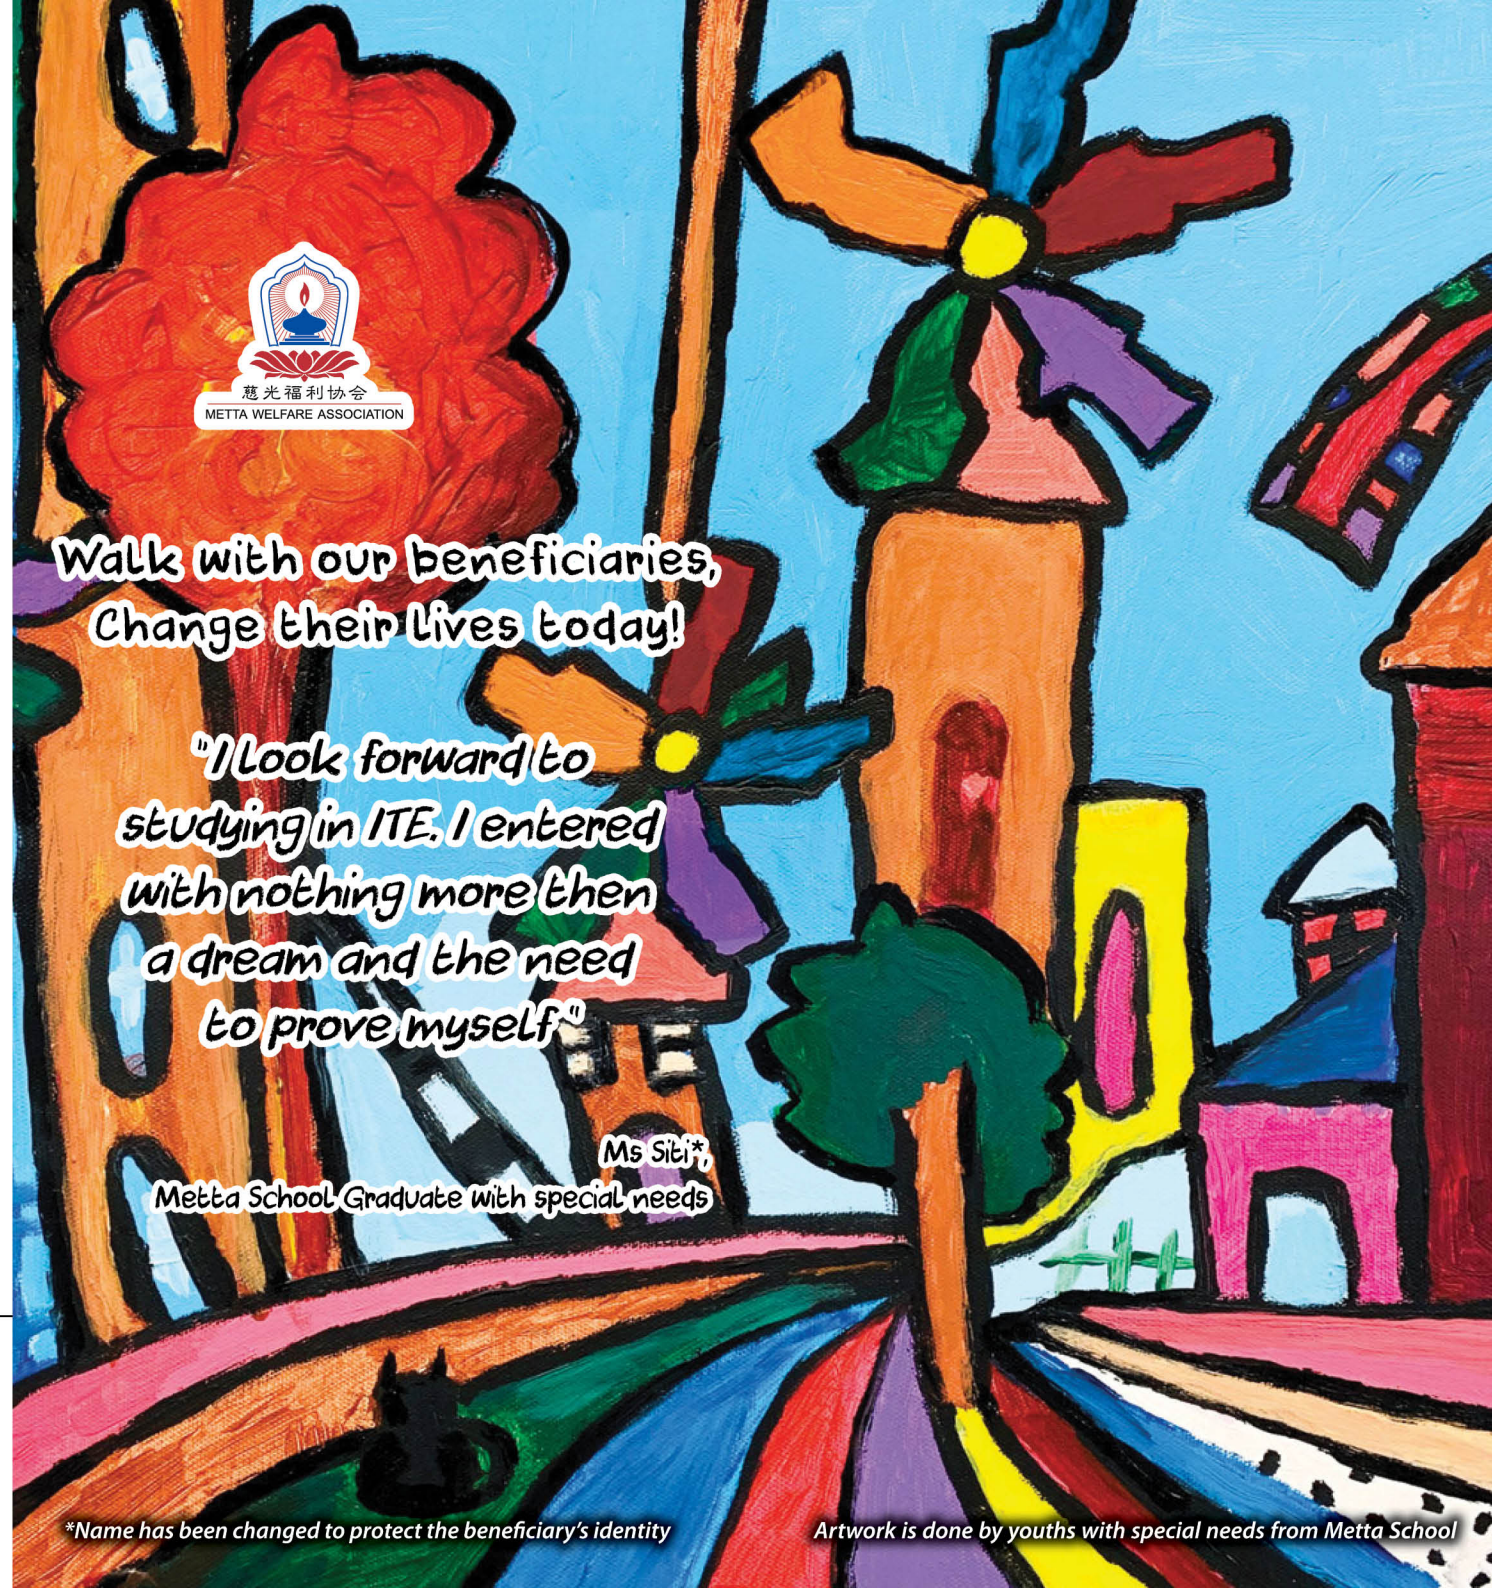

- Disability Care—residential care, respite care, day activity care and training for the intellectually disabled;
- Medical Care—home hospice care for the terminally ill, day rehabilitative services for elderly and stroke patients and home nursing care for patients with chronic illnesses;
- Children Care—early intervention for children with learning difficulties;
- Alumni Care—vocational training, employment assistance and support for graduates of Metta School;
- Special Education—special education and vocational training for children with mild intellectual disability and/or autism; and
- Others—welfare services required by the community.

Every contribution makes a difference. Keep the windmill spinning and light up their lives today.
